

What does it take

Dm7 G7
What does it take to save
C F
the one and only Earth
Dm7 G7
The grace and solemn beauty,
Am
the life it's giving birth.
Dm7 G7
She asked her questions slowly
C E7
feeding her baby girl

[Chorus]

Am Dm G7 C
The planet we waste is not ours, it belongs to the times to come.
Am D G F
It belongs with the ones who will follow, with the future, with tomorrow.
C F
To our children's children's children.
Bb* A **with loose E string, i.e. tones F Bb D E, (Bbsus4)*
To the billions, to be born.

Dm7 G7
They say, it takes so little
C F
to make emissions go
Dm7 G7
No going back to stone age
Am
about a year of growth.
Dm7 G7
just feed the market mechs
C E7
a price on CO2.

[Chorus]

Dm7 G7
She looked right at her baby
C F
in all her sad despair.
Dm7 G7
She said, we steal your future
Am
as if we didn't care.
Dm7 G7
but don't you worry baby
C E7
I will protect your air

[Chorus]
