

## A Yellow Raincoat and a Sign

G C G Gsus4 G

A cover on the cold stone

C

in a yellow raincoat

G Gsus4 G

outside the parliament

A A7 D

sitting with a sign that has the wording:

G

School strike for the climate,

C

there's a pile o leaflets:

G Gsus4 G

with a text that reads

A A7 D

you grown-ups don't give a shit about my future

G C G

She said listen to the science, find out what you're doing to  
this earth

D

end the warming, make an end to the emissions now

G

It's all so clear where it's leading to,

C A

So why don't you stop it, there is no excuse

G C

So stop the warming, couse you owe it to your children

G C

stop it now, cause you owe it to the billions

G C G

to be born, to suffer from your failures now

G

This planet is forsaken,

C

the emperor is naked;

G Gsus4 G

Now isn't it a shame

A A7 D

That it takes a child to tell the truth

G C

Though many close their ears

C

more and more can hear,

G

and follow her call,

A A7 D

all around the world, their voices call out

They say listen to the science ...
